OOD - John Byrne, RIB - Richard and Mark

WEATHER - Sunny, Wind from SE @ 15k+

(After the end of Race 3, there was just no wind and everyone decided to call it a day. Most of the boats were on the beach - a few had started to unrig - when the wind really kicked in. Rather than lose time by going back out to the main lake, I decided a short, second race using the usual marks was better.)
