Race 2 - 1 Fleet - 9/1/16 at 3pm

ODD: John Byrne; Wind: Very light, maybe only 1 knot. Weather fine and sunny.

Course: To port, small triangle, sausage, small triangle. Start from Club mark.

From the start progress was slow but there was progress. It took the field over 20 minutes to travel from the Quarry mark to the Peninsular mark! Finish line was set and Barney Davis crossed the line in 1hr 08 mins almost lapping the rest of the fleet. (Note he was racing without Thomas.) Nearly an hour later with the rest of the fleet still with one and a half laps to go, the race was abandoned due to lack of wind.
